

CHILD SAFETY SEAT INFORMATION SESSION

**Do you know how to transport
your child safely in your vehicle?**

**Is your child safety seat installed
correctly in your vehicle?**

This 2-hour session provides parents and caregivers information on how to ensure their child safety seat is installed correctly in their vehicle and their child is properly secured in the seat plus information about the law in Alberta regarding the use of child safety seats.

The session is facilitated by St. John Ambulance (SJA) certified Volunteer Child Safety Seat Technicians and is offered FREE of charge to parents and caregivers.
